An aerial photograph of a university campus at dusk. The scene is dimly lit, with the sky showing a gradient of dark blue and purple. In the center, a large, modern building with a glass facade is illuminated from within, reflecting the ambient light. To its left is a smaller, rectangular building. In the background, several multi-story residential-style buildings are visible, some with lights on. The campus is surrounded by lush green trees and a large body of water in the foreground, which reflects the buildings and the sky. The overall atmosphere is serene and quiet.
