RE: Debt Service Payments for Prince William County 2005 Refunded
Industrial Development Authority Commuter Parking Facilities Bonds

Recommendation:

Authorize the appropriation and expenditure of \$646,421 of Prince William County's 2% motor fuels tax funds to make FY 2009 debt service payments due on the 2005 refunded Industrial Development Authority commuter parking facilities bonds and authorize the releasing and superseding of PRTC resolution 06-06-15.

Background:

Prince William County, by attached Resolution No. 08-490, requests the Potomac and Rappahannock Transportation Commission to use \$646,421 for FY 2009 from the County's portion of fuel tax revenues for debt service payments due on the 2005 refunded Industrial Development Authority commuter parking facilities bonds.

The amount originally appropriated by PRTC Resolution 06-06-15 for FY07 debt service was \$5,679 more than the actual debt service expenditure which resulted from the 2005 bond refunding. The County is requesting that the remaining resolution balance of \$5,679 be released so the County may use these funds to support other projects.

Fiscal Impact:

Prince William County requests the Potomac and Rappahannock Transportation Commission to use \$646,421 for FY 2009 from the County's portion of fuel tax revenues for debt service payments due on the 2005 refunded Industrial Development Authority commuter parking facilities bonds. This action also unencumbers \$5,679 of Prince William County's 2% motor fuels tax account from released and superseded PRTC resolution 06-06-15.
