RE: Expression of Appreciation for Douglas Waldron's Service and  
Contributions as a PRTC Commissioner

---

Recommendation:

Adopt a proposed resolution expressing appreciation for Mr. Waldron's services and contributions.

Background:

Manassas Mayor and PRTC Commissioner Douglas Waldron decided not to run for re-election so he will cease office-holding at the end of his current term as Mayor (i.e., June 30, 2008). Mr. Waldron has also confirmed that the Manassas City Council will be naming a successor to represent the City on the PRTC Board and the VRE Operations Board, presumably timed so the successor can be seated at the July PRTC meeting.

Commissioner Waldron ends his service as a PRTC Board member after serving for nearly four years on both the Board and the Executive Committee. Clearly he will be missed personally and professionally and, in keeping with PRTC's long-standing practice of expressing appreciation to outgoing Commissioners for their service and contributions, the attached resolution has been drafted for the Commission's consideration. Management proposes to present it to Mr. Waldron at the June Commission meeting.

Fiscal Impact:

Not applicable.
