## How Does OmniLink Work?

OmniLink was designed to meet the transportation needs of the entire community, including individuals who may have difficulty getting to established bus stops. Unlike a traditional public bus service that operates only along a designated route, with advanced notice, OmniLink buses can be rerouted to pick up and drop off passengers at locations up to 3/4 mile off the route when there is time available in the schedule. OmniLink service balances the amount of time available for off-route trips and ensuring that bus service is reliable for all customers. OmniLink buses stop only at posted OmniLink bus stops, on-demand stops (see below) and scheduled off-route pick up or drop off locations. Drivers cannot make unscheduled route changes.

## OmniLink For Commuters, Too!

Commuter parking lots and VRE train stations along OmniLink routes can be accessed by OmniLink buses, allowing passengers to transfer to and from OmniRide commuter buses and VRE trains (see map).

## How To Use OmniLink

There are three easy ways to use OmniLink:

1) OmniLink Bus Stops. Each OmniLink bus stop is marked with a bus stop sign. Bus stop locations for this route are identified on the map. This schedule lists departure times for several key stops (timepoints). If your stop is between two timepoints, use the timepoint for the stop before yours as a guide. Plan to arrive at your stop 5 minutes early.

2) On-Demand Bus Stops. In addition to the designated bus stops, there are some locations that are On-Demand Bus Stops. If you are riding to an on-demand bus stop, let the driver know you wish to get off there when you board. To be picked up from an on-demand bus stop, simply call the OmniLink office and the next available bus will be rerouted to pick you up. There is a surcharge for using on-demand bus stops (which does not apply to passengers eligible for reduced fares; see fare section for details). Please see the map for locations of on-demand stops.

3) Off-route Trips. If you cannot get to an OmniLink stop, or if your destination is not close enough to a bus stop, you may want to schedule an off-route trip. There is a surcharge for off-route trips (which does not apply to passengers eligible for reduced fares; see fare section for details). To determine if an off-route trip is possible, call Customer Service, from 7:30 AM to 7:00 PM, Monday through Friday, and a Customer Service Agent will try to route the bus closer to where you live or want to go—up to 3/4 mile off the route. Trips may be scheduled with as little as 2 hours notice, but for best results, call as soon as possible to reserve your ride. Trips are booked on a first-come, first-served basis and are limited. You may be asked to get on or off the bus at a location that is within a few blocks of your origin or destination. Some locations are not accessible to OmniLink buses. If you are not at the pick up point, the bus will not wait. If you plan to make the same off-route trip regularly, you may be able to place a standing order, subject to availability, by calling Customer Service. Plan to arrive at your stop 5 minutes early.

## How to Change or Cancel an Off-route Trip

If you need to cancel or change your reservation or standing order for an off-route OmniLink trip, please call the OmniLink office at least 2 hours before the scheduled trip. Canceling less than 2 hours before your scheduled pick up or not showing at the pick up location will be considered a missed trip. Passengers with 3 missed trips within 30 days will be denied the privilege of requesting reservations for 30 days.

## Emergency Service Plan

Pick up a copy of the Emergency Service Plan brochure, which details procedures for snow and non-weather related emergencies. During extreme weather, buses may only operate bus stop-to-bus stop and may experience delays. Please call (703) 730-6664, check our website at [PRTCtransit.org](http://PRTCtransit.org), or listen to local news programs to verify OmniLink's operating status. To receive email service updates, subscribe to our Rider Express email list by visiting our web site.

## Lost and Found

Items found on buses will be held at the PRTC Transit Center at 14700 Potomac Mills Road, Woodbridge, VA for 30 days. To inquire about a lost item, please call (703) 730-6664, or email [Omni@OmniRide.com](mailto:Omni@OmniRide.com).

## Priority Seating and Special Needs

Front row "Priority Seating" has been designated on every bus. Please accommodate the special needs of mobility-impaired passengers by giving up those seats as needed. Applications for Priority Seating Passes may be downloaded online, or obtained by mail or by calling (703) 730-6664 or (888) 730-6664. All buses are wheelchair accessible. Each bus can accommodate two wheelchairs; passengers in wheelchairs who plan to board at a bus stop are encouraged to call Customer Service at (703) 730-6664 prior to their trip to ensure a wheelchair space is available. For Virginia Relay Center-TDD call 711.

## Passenger Conduct

PRTC reserves the right to deny entry to, expel and/or temporarily or permanently ban any person from PRTC property and/or vehicles, who in the judgement of the PRTC management or its agent, is imperiling public safety or being a public nuisance. Actions that could imperil public safety or qualify as a public nuisance include, but are not limited to, 1) verbal or physical intimidation; 2) disrespecting the rights of other PRTC patrons; 3) use of profanity; 4) lewd behavior; 5) refusal to pay a fare; and 6) defacing or otherwise damaging PRTC-owned assets.

Smoking, including e-cigarettes, is NOT permitted on PRTC buses.

Passengers must be fully clothed and must wear shoes on PRTC buses.

## Title VI Policy

In compliance with Title VI of the Civil Rights Act of 1964, it is PRTC's policy to use its best efforts to assure that no person shall be excluded from participation or denied the benefits of PRTC's services, on the grounds of race, color or national origin. For more information on PRTC's non-discrimination obligations or to file a complaint, contact the Title VI Coordinator at 703-580-6147 or visit the "Passenger Rights" page at [PRTCtransit.org](http://PRTCtransit.org).
